

Our 19th Annual Vocabulary Day Celebration!

Friday, April 14, 2023

Choose a new word, **one that you have learned this year**, and design a costume or hat to wear. The costume must demonstrate the meaning of the word and include the word somewhere for others to read. Submit this form to have the word approved by your classroom teacher prior to Vocabulary Day. We need to be sure that our words and costumes are appropriate for school. Corinna Raznikov-Wisner will be at school to photograph each student in their costume. Everyone will receive a copy of their photograph after the gallery reveal in June. Stay tuned for details!

What do I need to do now?

1. **Register** for Vocabulary Day by giving Corinna Raznikov-Wisner permission to use the photographs in her studio.

Scan the QR code OR visit tinyurl.com/Vocab2023.

2. **Return this form** to your teacher with your chosen word by Thursday, April 6!

3. **That's it!** Have fun working on your costume. We can't wait to see it!
